98 RAILWAY STREET, CORRIMAL

## Preschool Mixed Media:

An inspiring term program for preschoolers and their parents/carers. Artspace artists and Big Fat Smile educators develop a new program each term. It's experimental, innovative and fun and is based on the Early Years Learning Framework and the Reggio Emilia approach to learning. Children work with a variety of mediums, while being inspired by the work of contemporary and modern artists.

**Cost:** \$155 includes all art materials and entry to Green Bean Play Cafe each week.

## Preschool Mixed Media (Children with additional needs):

As above. Our specialist artist has experience working with children with additional needs.

**Cost:** \$155 includes all materials and entry to Green Bean Play Cafe each week.

## Mixed Media (5-12 years):

The Artspace Mixed Media stream gives kids the opportunity to work across a range of media each term - printmaking, painting, sculpture, ceramics, drawing, photography, mixed media, design....you name it, we do it! A new innovative program is developed each term by our resident artists and educators and is linked to the new National K6 Curriculum. Each week we introduce the work of different artists. The program encourages inquiry, reflection, analysis and creativity!

**Cost:** \$155 includes all materials.

## Mixed Media (5-12 years) (Children with additional needs):

As above. Our specialist artist has experience working with children with additional needs.

**Cost:** \$155 includes all materials.

# About Artspace

A NOT FOR PROFIT COMMUNITY STUDIO FOR KIDS AGED 3 -16 YEARS  
BROUGHT TO YOU BY THE LOVELY FOLK AT BIG FAT SMILE.

## Cartooning/Zine Creation:

A fun term program for kids who are into a more graphic, cartooning style. Our specialist artist supports children to develop their own unique characters and narratives while looking at the work of contemporary cartoonists and illustrators. A group Zine is created each term to take home. The course is ongoing.

**Cost:** \$155 for the term which includes all art materials.

## Fine Arts Drawing:

This specialist stream is for kids with a particular love of drawing. The experimental term program helps kids develop skills in rendering, shading, perspective and proportion. From 'right brain' exercises (using different drawing mediums and techniques) to drawing from life. **Cost:** \$155 includes all materials.

## Creative Writing:

Our Resident Writer will lead this experimental writing course which aims to support children who love the written word and word play. Short stories, poetry & short film scripts will all be explored in the 9 week course. **Cost:** \$155 includes all materials.

## Visual Arts Intensive:

This new specialist stream is for older primary and high school students looking to extend on their creative skills over a range of media. The program is developed by our artists each term with projects extending over a number of weeks. It's like the Mixed Media stream program on steroids! **Cost:** \$155 includes all materials.

## Specialist Artist Stream:

These six week courses are based on a specialist artist's practice and cater for kids with a special interest in one particular genre. Check our website for details and dates.

**Cost:** \$130 includes all materials.

## Adult Creatives:

These six week programs run every term and are for beginners and lapsed artists. Our resident artists take turns running the course to allow participants the opportunity to work with a range of artists. The course is very laid back, fun and process driven with no pressure. Mediums include drawing, painting and printmaking with an emphasis on individual expression and style development.

**Cost:** \$130 includes all materials and wine.

## School Holiday Programs (For kids aged 3-16 years):

An eclectic mix of awesome, arty fun and special guest artists. Check the website for details.
