Missed sessions

In the event the student is unable to attend one (1) session during the term, a written notification from the parent/guardian will facilitate an alternative 'make-up' session being arranged for one of the other class times. Preferably, this notification is made in advance of the absence. Any further absences (e.g. due to serious illness) will require written notification before any credit will be given. Credit can only be given as reservations in the following term. Artspace is committed to provide these sessions on a weekly basis, but in the event that a tutor is unavoidably absent, notification will be made and arrangement for the missed session to be rescheduled.

General

In the event of a session cancellation due to insufficient numbers, every attempt will be made to provide an adequate alternative day. With regard to the morning sessions for pre-schoolers, it is obligatory for the parent/carer to be present for the duration of the class. Parents/carers for children attending after school sessions are advised to deliver and collect their children promptly so that the following class can proceed without delay.
