SCHOOL HOLIDAY WORKSHOPS

16 - 25 January 2019

ARTSPACE STUDIO FOR KIDS

98 RAILWAY STREET, CORRIMAL

WORKSHOPS FOR 3-5 YEAR OLDS

Wednesday 16 | 10 - 11.30am

Sand Mandala's Come along to create a beautiful, patterned and very colourful sand mandala. We will have special adhesive boards so your sand won't fall off. What shapes will your sand mandala include, circles, triangles, squares or diamonds or perhaps all of them!

Monday 21 | 10 - 11.30am

That's what I'd do Join our musician in residence Penny Hartgerink as she reads and sings the wonderful story *That's What I'd Do*. You will be so inspired to create your very own artwork using inks, fine-liners and pastels.

Book online:
bigfatmile.com.au/artspace

WORKSHOPS FOR 5-8 YEAR OLDS

Spooky Creepy Sets Photography

Wednesday 16 | 2pm - 4pm

Outrageous Drawings Today you will look closely at outrageous costume designs. Oversized rubber bows, multi-tiered silver sleeves, ruffled feather covered collars and bucket hats. You will utilise a variety of drawing materials to practise fine art drawing techniques. Learn about tone, line, composition and mark making. Expect to capture the unexpected!

Thursday 17 | 10am - 12:30pm

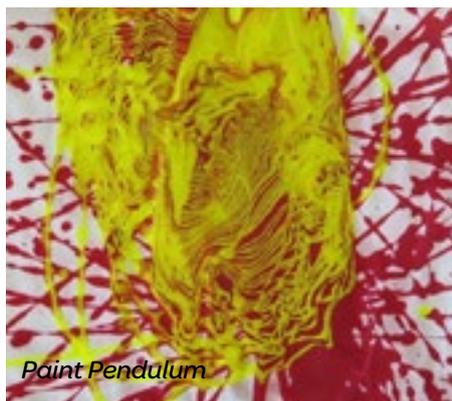

I LIKE TO MOVE IT MOVE IT Animation is a dynamic art form. Spend a morning making things move.... Use the cool app Smoovie to bring your newly created characters to life.

Thursday 17 | 2pm - 4pm

Flip Note Books Today you will make your own flip book by taking pictures with a digital camera, create a scene with special lighting and costumes to bring your book to life. Flick it fast or flick it slow, it's up to you, you're running the show!

Friday 18 | 2pm-4pm

Paint Pendulum The Artspace paint pendulum is back! A pendulum is a fixed object that is hung from a point so it can swing freely back and forth due to the force of gravity. The Artspace Pendulum is 10 foot tall (wow!) and creates the most amazing large scale artworks! This workshop is a mix of art and science, experiment with different paint pots, drainage holes and weights to create some truly amazing works of art, but be careful not to get hit with paint!

Paint Pendulum

Monday 21 | 10am - 12pm

Snip Snip Snip Come along today and increase your paper cutting skills. This will be a fun snip snip, snipping workshop. You will create amazing concertina paper people. Design clothes for them, don't forget hair!

Wednesday 23 | 10am - 12pm

The Octopus Garden Create an octopus in his garden using clay coils, adding his 8 tentacles and suckers too. Build up texture on his skin and add flotsam and jetsam from rock pools, shells, sea urchins and more. Then paint your octopus.

Octopus Garden

Wednesday 23 | 2pm - 4pm

IT'S ALIVE! Using the seriously fun technique of stop frame animation you will create a poster or a magazine cover with a twist. One minute it's perfectly still until things start moving around and exploding with life.

Thursday 24 | 2pm - 4pm

Fantasy floating Landscapes Come along today to create a landscape scene where gravity doesn't exist, masses of land seem to float, birds flutter by and dolphins can perhaps fly. Anything goes in this fantastical, imaginary world! We will have special boxes, an array of papers, markers plus so much more.

Friday 25 | 10am - 12pm

Fantasy Cars Lowrider, hopping cars with fluffy pink mags and jet powered engines! Today you can imagine and create a car that is unimaginable!! The studio will be stocked with a great range of materials to create an out of this world vehicle.

FULL DAY WORKSHOP 5-14 YEAR OLDS

ALL DAY OPTION: COME FOR ONE OR BOTH OF TODAY'S WORKSHOPS!

Just when you thought Halloween was over! Today we will look at the surreal, dark and creepy world of Gargoyles, spooky castles and creaking rusty gates.... to stop any unwanted guests!

Tuesday 22 | 10am - 1pm

Spooky, Creepy Set Photography

Today you will create a very spooky set, using dimmed lighting, fake spider webs and eerie back-drops. We will have a fog machine for extra spookiness. When you are ready to be photographed say "Creepy" Your photo will be reminiscent of a magical world that will fill you with inspiration to create a beautiful bright painting.

Tuesday 22 | 2pm - 4pm

Gargoyle Sculpture Gargoyles are strange creatures, scary and very fierce but did you know that their main purposes are to scare off evil and divert rainwater. Today you will create your very own Gargoyle sculpture, will it have wings and horns like the most famous

Gargoyle Sculpture

WORKSHOPS FOR 9-14 YEAR OLDS

Wednesday 16 | 10am - 12pm

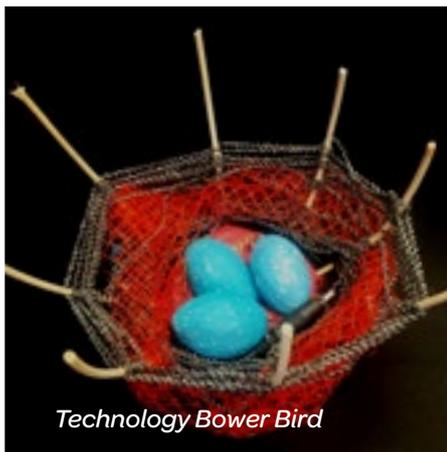

Cactus Capers Did you know there are about 2000 types of cactuses found around the world? The shapes of cactuses vary greatly – tall, short, round, thin, spiky, fat, smooth..... You will be inspired to create your very own cactus sculpture in this workshop. We will use clay, paper and special sculpture techniques. But we won't stop there, create a cool design on your cactus pot and Voila! Anyone feel like Taco's?

Wednesday 16 | 2 - 4pm

Marquetry Madness In this workshop we will use small pieces of different coloured wood veneers plus other materials to create a scene like no other. We will use small coping saws and other tools to cut a variety of wooden shapes, that when fitted together will form a unique artwork. You will be amazed!

Thursday 17 | 10am - 12pm

Encaustic Wax Painting Incredibly encaustic painting was used by the Egyptians to create Mummy portraits. Fast forward to present time (2019!) and amazingly you will heat beeswax add coloured pigments (just like the Egyptians) to create mysterious, misty and very moody encaustic paintings.

Technology Bower Bird

Thursday 17 | 2pm - 4pm

Technology Bower Bird The female bower bird's nest is generally made of loose twigs and found 30 metres above ground! We won't be climbing that high today, but you will still have fun creating amazing, colourful nests from found flora and fauna AND recycled power leads, special wire and phone leads. No wonder the workshop's called Technology Bower Bird!

Artist Chair

Friday 18 | 2pm - 4pm

Fabric Printing Come along today and carve your own rubber stamp for fabric printing. You can choose to print on a calico pencil case or a calico tote. Whatever you choose, it will be a one off and reflect a part of you!

Monday 21 | 2pm - 4pm

JELLY FLOOD We will create a miniature world that will through strange circumstances get submerged by jelly!!! While creating this edible artwork you will learn some pretty amazing techniques of jelly modelling.

Monday 21 | 2pm - 4pm

Colourful People Wear Black Using the work of Amy Pleasant USA as a starting point, we explore segmented body portraits through repetition, economy of line and a limited palette. Painting, photography, and cut out sculpture will be included as we construct a self portrait – portrait in parts.

Wednesday 23 | 10am - 12pm

Paste-Up's David Bowie once described Berlin as the greatest cultural extravaganza that one could imagine..... known for its mishmash of Paste-Ups these artworks explode with colour, layered details and thought provoking text. In this hipster workshop, you will use a variety of materials to create your layered very cool paste-up.

Wednesday 23 | 2pm - 4pm

The Artist's Chair Have you ever seen an old wooden chair sitting by the side of the road and thought it looked too good to just be thrown away? Well today is your chance to reinvent a chair just like that. We will have a variety of wooden chairs for you to transform into a new being using paint, poscas and decoupage.

Thursday 24 | 2pm - 4pm

Outrageous Drawings 2 Today you will look closely at outrageous costume designs. Oversized rubber bows, silver sleeves, ruffled feather covered collars & bucket hats. You will utilise a variety of drawing materials to practise fine art drawing techniques. Learn about tone, line, composition and mark making. Expect to capture the unexpected!

Smovie

Friday 25 | 10am - 1pm

Animation / Set Design Animation is a dynamic art form. Spend an afternoon creating your own set and making things move..... Use the cool app Smovie to bring your newly created characters to life.
