

Ready set... colour!

Experience

To prepare for this game create an area where you can set up four squares on the floor.

These squares can be marked out with chalk, string or paper depending on the location of the game.

Place a coloured object in each square and encourage your child to find other objects around the house that match this colour.

Learning benefits

- Promotes colour recognition and matching
- Enhances ability to follow simple rules in a game
- Boosts listening skills
- Enhances problem solving skills

5 - 7 mins

3 - 5 years

Materials

Masking tape/ chalk

Coloured items to identify the square

Hints and Tips

Indoors or outdoors

For the first game, find items alongside your child

Provide clues and hints for younger children
