

Let's Sing...

5 mins

2 - 3 years

Experience

Set up a musical space where your child is able to explore their sense of sound. Encourage your child to collect materials from around the house that they would like to use for their set up with your assistance. This musical experience will encourage your child to bang, tap and explore sounds as they sing to one of their favourite songs.

Learning benefits

- Developing musical knowledge (e.g. beat & rhythm)
- Improved fine motor skills and eye-hand coordination
- Development of listening skills
