

Drawing

Experience

Invite your child to draw anything they like. It is important not to limit their drawing to a particular subject matter/theme or topic. Whilst they are drawing, talk to your child about what they are drawing. Be supportive and encouraging as they experiment with shapes, lines and markings.

Learning benefits

- Foster shared meaning through use of common knowledge and understanding
- Promotes verbal and non-verbal communication
- Develops fine motor and eye hand coordination
- Opportunity to communicate their feelings/emotions

5 mins

3 - 5 years

Materials

Nothing required

Hints and Tips

Indoors or outdoors

Encourage free drawing over stencils to expand their lateral thinking, problem solving and creative abilities.
